

Construction - Heavy Highway Carpenter Apprentice

Bette & Cring, LLC, an ENR Top 400 Contractor, is looking for applicants for our **Heavy Highway Carpenter Apprentice Program**, an on-the-job training opportunities to prepare candidates to become journeypersons in the carpenter trade, join our industry-leading construction team, and work at various sites in Upstate New York.

If you enjoy working with your hands, using tools, being outdoors, and the satisfaction of a job well done, this program can be the first step towards a rewarding career with competitive high paying wages and benefits.

Apprentice candidates will be provided the following:

- An entryway into a career in construction – not just a job!
- Full-time employment
- On-the-job technical training in heavy highway construction
- Mandatory classroom instruction

The program is intended to promote equal employment opportunity through gainful employment, training, and increased participation of minorities and women in the Heavy Highway Carpenter Trade.

MINIMUM QUALIFICATIONS:

Applicants must have the following qualifications:

- Be at least 18 years of age
- A high school diploma or GED
- Must be in reasonably good health
- Must have the ability to safely navigate conditions present at a construction site, including climbing ladders, cluttered areas, working in bad weather, confined spaces, hazardous areas, dark conditions, and maneuvering uneven surfaces, etc.
- Must have a valid NYS Driver's License and reliable transportation
- Must be willing to comply with the company's commitment to a drug-free environment

Preferred applicants will possess some of the following:

- An interest in Building and Construction and willingness to learn
- A good work ethic
- Manual dexterity, mechanical ability, and/or an aptitude in Math and Science,
- Flexible schedule and availability to travel extensively throughout New York State
- Good communication skills and ability to work with people at all levels

Note: An applicant who have previously successfully completed a training program and has been employed as a journeyman in this classification, is not eligible for this program.
